DYED KOTO- 008

A close-up photograph of a wood surface with a vertical grain pattern. The color is a muted, dark grey with subtle variations in tone, giving it a sophisticated and modern appearance.

ZINOTTI PLATINUM GREY

A close-up photograph of a wood surface with a vertical grain pattern. The color is a soft, light grey with a slightly textured appearance, providing a clean and minimalist look.

ZINOTTI GREY

A close-up photograph of a wood surface with a vertical grain pattern. The color is a rich, dark brown with a slightly textured appearance, characteristic of dyed fig wood.

DYED FIG. ANIGRE

A close-up photograph of a wood surface with a vertical grain pattern. The color is a dark, almost blackish-brown with a slightly textured appearance, identified by the code DD-F-ANG-001.

DD-F-ANG-001

A vertical rectangular panel showing a wood grain texture with a mix of light and dark brown tones, creating a mottled appearance.

DD-F-ANG-002

A vertical rectangular panel showing a wood grain texture with a mix of light and dark brown tones, similar to the first sample but with a slightly different pattern.

DD-F-ANG-003

A vertical rectangular panel showing a wood grain texture with a mix of light and dark brown tones, similar to the first sample but with a slightly different pattern.

DD-LCW- 001

A vertical rectangular panel showing a wood grain texture with a mix of light and dark brown tones, similar to the first sample but with a slightly different pattern.

DD-LCW- 002

A close-up photograph of a wood grain texture. The grain is oriented vertically and has a subtle, wavy pattern. The color is a muted, greyish-blue or charcoal hue. The texture appears slightly grainy and matte.

DD- LCW- 003

A close-up photograph of a wood grain texture. The grain is oriented vertically and shows a more pronounced, wavy pattern compared to the first sample. The color is a warm, medium brown or chestnut hue. The texture is smooth and has a slight sheen.

DD- LCW- 004

A close-up photograph of a wood grain texture. The grain is oriented vertically and features a very prominent, wavy, and somewhat irregular pattern. The color is a light, warm brown or tan hue. The texture is smooth and has a slight sheen.

DOVE ANIGRE

A close-up photograph of a wood grain texture. The grain is oriented vertically and has a subtle, wavy pattern. The color is a dark, muted green or charcoal hue. The texture is smooth and has a slight sheen.

STEEL GREY TAMBO *

ZANZI TAMBO *

DD-TM-001

PICASSA *

A close-up photograph of a wood surface with a light brown, warm tone. The grain is characterized by vertical, slightly wavy lines and a prominent, dark, vertical streak that runs through the center, creating a sense of depth and texture.

DOVE ASH *

A close-up photograph of a wood surface with a muted, greyish-brown tone. The grain is vertical and features a complex, swirling pattern with dark, irregular shapes that give it a rich, organic appearance.

RUZZONI *

A close-up photograph of a wood surface with a light, creamy beige tone. The grain is vertical and shows a subtle, repeating pattern of dark, pointed shapes that resemble pearls or scales, creating a delicate and refined texture.

FARSINO PEARL *

A close-up photograph of a wood surface with a light beige tone. The grain is vertical and features a prominent, dark, wavy pattern that resembles a stylized 'M' or a series of overlapping ridges, giving it a bold and dynamic appearance.

FARSINO BEIGE *

DYED ASH F/C-002 *

DYED ASH F/C-003 *

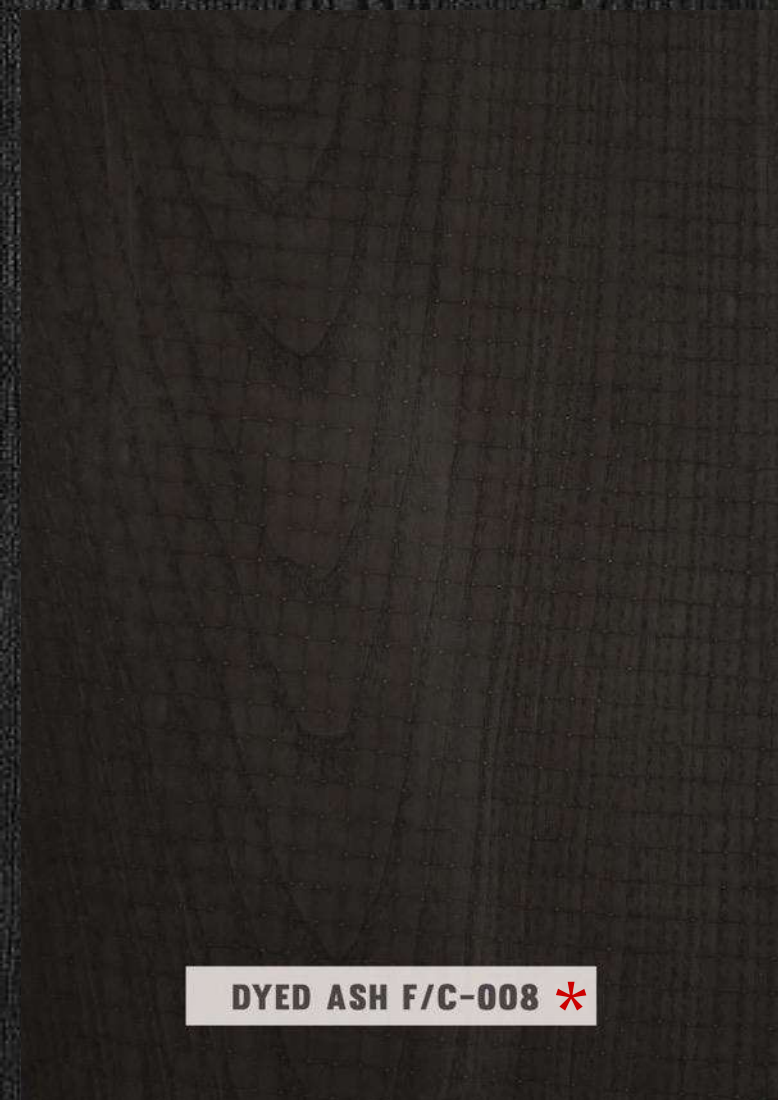

DYED ASH F/C-004 *

DYED ASH F/C-006 *

DYED ASH F/C-007 *

DYED ASH F/C-008 *

DYED ASH F/C - 012 *

A close-up photograph of ash wood grain dyed in a light blue color. The natural wavy patterns and knots of the wood are visible, though muted by the dye.

DYED - ASH - BLUE *

A close-up photograph of ash wood grain dyed in an aqua or teal color. The wood's natural texture and grain patterns are clearly visible against the vibrant dye.

DYED - ASH - AQUA *

A close-up photograph of ash wood grain dyed in a forest green color. The wood's natural grain and knots are highlighted by the rich green dye.

DYED - ASH - GREEN *

A close-up photograph of ash wood grain dyed in a dark charcoal or grey color. The wood has a rough, textured surface, and the dye is applied in a way that emphasizes the grain's irregularities.

DYED ASH ROUGH CUT

A close-up view of a light-colored wood grain with a vertical orientation. The grain is relatively straight and uniform in color, ranging from a pale cream to a light beige. There are some subtle variations in tone and texture, with a few small, dark spots or knots visible.

NEW CASA

A close-up view of a light-colored wood grain with a vertical orientation. The grain is more pronounced and wavy than in the 'NEW CASA' sample, with a mix of light beige and cream tones. There are several larger, darker knots and areas of discoloration, giving it a more rustic appearance.

ANTANO

A close-up view of a light-colored wood grain with a vertical orientation. The grain is very fine and uniform, with a consistent light beige or cream color throughout. The texture appears smooth and consistent, with very few knots or imperfections visible.

CREMAFINDO

A close-up view of a dark-colored wood grain with a vertical orientation. The color is a deep, muted charcoal or dark grey. The grain is straight and uniform, with a fine, consistent texture. There are very few knots or imperfections visible, giving it a sleek and modern appearance.

BARASSI

A close-up view of a wood grain texture with a subtle, wavy pattern. The color is a muted, earthy greenish-brown. The grain lines are soft and irregular, creating a gentle, organic feel.

BREECO

A close-up view of a wood grain texture with a more pronounced, vertical grain pattern. The color is a warm, medium brown. The grain lines are straighter and more defined, with some small knots visible, giving it a classic wood appearance.

LISSONE

A close-up view of a wood grain texture with a complex, wavy pattern. The color is a vibrant, deep blue. The grain lines are highly irregular and create a sense of movement and depth.

ROYAL BLUE BOLIVER

A close-up view of a wood grain texture with a highly detailed, wavy pattern. The color is a light, warm brown. The grain lines are very intricate and create a sense of depth and texture, resembling a figured wood.

FIGURED EUCALYPTUS CRYSTAL

A dark grey, textured surface with a fine, pebbled grain. The texture is consistent across the entire panel.

DYED FIG EUCALYPTUS- 002

A light brown, textured surface with a fine, pebbled grain. The texture is consistent across the entire panel.

DYED FIG EUCALYPTUS- 003

A light green, textured surface with a fine, pebbled grain. The texture is consistent across the entire panel.

DYED FIG EUCALYPTUS- 004

A dark grey, textured surface with a fine, pebbled grain. The texture is consistent across the entire panel.

DYED FIG EUCALYPTUS- 005

A close-up photograph of a wood grain texture, showing vertical lines and a light, muted color palette. The texture is slightly irregular and has a soft, matte finish.

DYED FIG EUCALYPTUS- 006

A close-up photograph of a wood grain texture, showing vertical lines and a light, muted color palette. The texture is slightly irregular and has a soft, matte finish.

DYED OAK F/C 001 *

A close-up photograph of a wood grain texture, showing vertical lines and a light, muted color palette. The texture is slightly irregular and has a soft, matte finish.

DYED OAK F/C 002 *

A close-up photograph of a wood grain texture, showing vertical lines and a light, muted color palette. The texture is slightly irregular and has a soft, matte finish.

ZEGNA-003 *

A close-up view of a wood grain texture with a dark brown color and a vertical grain pattern, showing some darker, more pronounced grain features.

ZEGNA-004 *

A close-up view of a wood grain texture with a very dark, almost blackish-brown color and a vertical grain pattern.

ZEGNA-005 *

A close-up view of a wood grain texture with a light brown, almost tan color and a vertical grain pattern, showing a clear, wavy grain structure.

ZEGNA-006 *

A close-up photograph of a textured surface with a mottled, brownish-grey color palette. The texture is irregular and fibrous, with darker and lighter patches creating a marbled effect. A white rectangular label is positioned at the bottom center.

DYED FIGURED CURUPIXA- 001

A close-up photograph of a textured surface with a mottled, brownish-grey color palette. The texture is irregular and fibrous, with darker and lighter patches creating a marbled effect. A white rectangular label is positioned at the bottom center.

DYED FIGURED CURUPIXA- 002

A close-up photograph of a textured surface with a mottled, brownish-grey color palette. The texture is irregular and fibrous, with darker and lighter patches creating a marbled effect. A white rectangular label is positioned at the bottom center.

DYED FIGURED CURUPIXA- 003

A close-up photograph of a textured surface with a mottled, brownish-grey color palette. The texture is irregular and fibrous, with darker and lighter patches creating a marbled effect. A white rectangular label is positioned at the bottom center.

ANIGRE

A close-up view of a light-colored wood surface with a subtle, wavy grain pattern. The color is a pale, natural wood tone.

WHITE ASH CROWN *

A close-up view of a light-colored wood surface with a prominent, wavy grain pattern. The color is a pale, natural wood tone.

TAMO *

A close-up view of a medium-brown wood surface with a wavy grain pattern. The color is a rich, natural wood tone.

ETIMO

A close-up view of a dark brown wood surface with a very fine, straight grain pattern. The color is a deep, rich wood tone.

SMOKED LARCHED ROUGH CUT

A close-up photograph of a redwood wood surface, showing a smooth, uniform texture with a consistent reddish-brown color and fine, vertical grain lines.

REDWOOD

A close-up photograph of a bubinga burl wood surface, characterized by a complex, swirling, and wavy grain pattern in a rich, dark brown color.

BUBINGA BURL

A close-up photograph of a figured makore wood surface, featuring a highly decorative, wavy, and irregular grain pattern with a dark brown base color and lighter, golden-brown highlights.

FIGURED MAKORE

A close-up photograph of a California walnut F/C wood surface, showing a smooth, vertical grain with a light to medium brown color and subtle, natural wood patterns.

CALIFORNIA WALNUT F/C*

A close-up photograph of a wood surface with a smooth, uniform texture and a warm, medium-brown color. The grain is subtle and consistent across the entire surface.

CALIFORNIA WALNUT Q/C

A close-up photograph of a wood surface with a fine, vertical grain pattern. The color is a deep, rich brown with some natural variations in tone and texture.

SUKUPIRA *

A close-up photograph of a wood surface with a prominent, vertical grain and several dark, circular knots. The color is a warm, medium-brown with some darker staining and a slightly rougher texture.

BROWN OAK BEAM *

A close-up photograph of a wood surface with a fine, vertical grain pattern. The color is a warm, medium-brown with a smooth texture and subtle variations in tone.

ALPI

DATUK EBONY*

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the first panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a horizontal line through the middle of the 'A'.The background of the first panel is a dark, almost black wood veneer with prominent, vertical, light-colored grain lines. The texture is smooth and the lighting highlights the natural grain patterns.

AMMARA EBONY *

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the second panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a horizontal line through the middle of the 'A'.The background of the second panel is a dark, almost black wood veneer with a fine, uniform texture. The grain is less pronounced than in the first panel, appearing as a subtle, fine-grained pattern.

GABON EBONY *

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the third panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a horizontal line through the middle of the 'A'.The background of the third panel is a dark wood veneer with a highly textured, wavy, and irregular grain pattern. The grain lines are light-colored and create a 'rock-like' appearance.

LIVING ROCK

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the fourth panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a horizontal line through the middle of the 'A'.The background of the fourth panel is a light-colored wood veneer with a wavy, irregular grain pattern. The grain lines are darker and create a 'frise' or 'frieze' appearance.

ERABLE FRISE

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a stylized horizontal line through the letter 'A'.This panel displays a wood veneer with a warm, honey-colored finish and a flamed grain pattern. The grain is characterized by wavy, vertical lines that create a dynamic, organic appearance. The color transitions from a light tan to a deeper, richer brown, highlighting the natural texture of the wood.

**XILO 2.0 HONEY CHERRY 2
FLAMED**

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a stylized horizontal line through the letter 'A'.This panel displays a wood veneer with a dark, smoky brown finish and a straight, vertical grain. The color is deep and uniform, with subtle variations in tone that give it a rich, aged appearance. The grain is consistent and runs vertically throughout the panel.

SMOKED OAK*

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a stylized horizontal line through the letter 'A'.This panel displays a wood veneer with a light grey-green finish and a straight, vertical grain. The color is muted and sophisticated, with a subtle texture that gives it a modern, industrial feel. The grain is consistent and runs vertically throughout the panel.

LIGHT GREY LATI

Deluxe Veneers

The ALPI logo is positioned in the top right corner of the panel. It consists of the letters 'ALPI' in a white, bold, sans-serif font, with a stylized horizontal line through the letter 'A'.This panel displays a wood veneer with a dark grey-green finish and a straight, vertical grain. The color is deep and moody, with a subtle texture that gives it a modern, industrial feel. The grain is consistent and runs vertically throughout the panel.
